Hello,

Thank You Celina and nice to meet you via E Mail Lt. Deedrick. I have also included Sergeant Maxwell from our Homeless Outreach and Proactive Engagement Team in West Bureau as well as Matthew Tenchavez from LAHSA. Perhaps we can start with a conference call to discuss the area, the Bridge Home Protocols in this area and how we can mitigate all of these concerns.

Take Care,

Emada

Good morning Lt. Deedrick,

Thank you for sharing the below information.

I believe its a great idea to work on this collaboratively to address homeless encampments in the area. Our approach is to lead with services and use enforcement as a last resort. Will your HOST team and E6 teams be available to respond to this area so that we can have outreach services available at scene and work together on this with our OWB HOPE team.

I'm adding Lt. Tingirides, OIC, Unified Homelessness Response Center, to assist with the coordination of our joint operation in HWD Area.

Sergeant Geaney works HWD CORE and we can bring her unit on board too. We will also update HWD CO's as well.

Let me know when you want to discuss all the details and the date you are anticipating on moving forward with this operation.

Thank you!

Respectfully,

Hi Celina and Monique,

I think I was just handed a situation where we can collaborate. The below email was sent between a few Commanders/Chiefs at our Department and like everything else found its way to me. I did not want to include Commander Choi on this email until we talk/discuss if this is something we can do collaboratively. I'm not sure who our people were trying to get a hold of at LAPD because I have no idea what the CORE Team is.

What are your thought? I hope all is well.

Hi Myron,

Hollywood Court is scheduled to open within the next few months. The Los Angeles Superior Court staff has expressed a legitimate concern about an established homeless encampment located on Carlos Avenue, west of the bus entrance at Hollywood Court (5925 Hollywood Boulevard, Los Angeles). To make matters worse, the District Attorney's Office and the Public Defender's Office will be parking in a church parking lot, just west of the homeless encampment. Employees must walk through the encampment to enter and exit the courthouse (public parking is located in front of the court on Hollywood Boulevard).

The big issue is that the encampment is located within LAPD's jurisdiction. We had the Los Angeles Superior Court's Public Safety Directors reach out to LAPD (see below); however, it seems like the homeless continue to gather along the south side of Carlos Avenue, between the church parking lot and the court.

Does the Sheriff's Department's Homeless Outreach Services Team work jointly with LAPD to resolve homeless issues affecting areas surrounding court/county buildings?

Lastly, can you have someone from the LASD Homeless Outreach Services Team contact LAPD's CORE Homeless Unit to see what can be done to address this issues?

Thank you,

Allen
